Seniors - We Finally Did It!

Along with a spirited, hardworking senior class advisor, the class of '86 got its first Case Rally victory. The seniors, behind new advisor Ken Day, finally did it. They won the Case Rally. The artistic talent of Lori Towers, Lynne Gagnon, Kathy Cwikla, Melissa Gedacht, and Rosie O'Toole led the senior class to a first place in artwork. Though the skit was not first place, the debut acting of Mark Furtado (Coach Winslow), Dave "Budah" Banville, and Steve Chmeileski, clinched enough points to keep the seniors in the running. The skit entitled "Coach Pom Gets Lost" seemed like the same run-into-the-ground plot. But with the veteran acting of Ken Southworth, Adam Steinberg, and John Beaulieu, along with the dancing feet of Dave Domingo, Mike O'Neil and Doug Medeiros (who also had the task of carrying the Mighty Budah), the skit became a funny, easy to follow comedy. The spirit cheer written and directed by Chris Miozza and Cheryl Mongeon, clinched the victory for the seniors. Steve Crowley, known as Colby, led this creative cheer and inspired his class to win just enough points to come out on top. As always, the best win. It's funny how the seniors always seem to win.

After moving down from Division I to Division II, the 1985 cross-country team had a highly successful season. This was Richard Bernardo's twenty-first season of coaching and was definitely one of his most memorable and rewarding seasons.

Two senior boys led the team through their up and down season. Jeff Tippins and Kenny David ran together in most of the races and always finished near the top of the pack. Their dedication to cross-country for four years and their strong character has been an inspiration to the younger, less experienced runners on the team.

On the girls' side, senior Samantha Searles' strong desire to do well and her competitive drive gave her the edge she needed in some close races. She profitted enormously from her hard work during practice.

The three senior captains, working with Coach Bernardo, developed a strong sense of team unity as the season progressed. At the end of the season, Mr. Bernardo was confident that next year's team would be as enjoyable as this year's cross-country team was.

Field Hockey

The 1985 field hockey season was a successful one. Although, there were eight seniors, the team was a young one. They captured a record of 10-5-3, which earned them fourth place in one of the toughest, new leagues in the state, and a trip to the state tournament. Captained by Lisa Duarte, Nancy Gray, and Julie Salmon, the team tied arch rival Case 1-1 and 0-0 and defeated Stang and Dartmouth, both past state champions.

High scorers for the Raiders were senior forward Donna Gendron and sophomore Diane Bernardo. They were second and fifth, respectively, in the league for goals. Donna Gendron and Tracey Kerrigan both did an excellent job for the team and were named to the league's all star team.

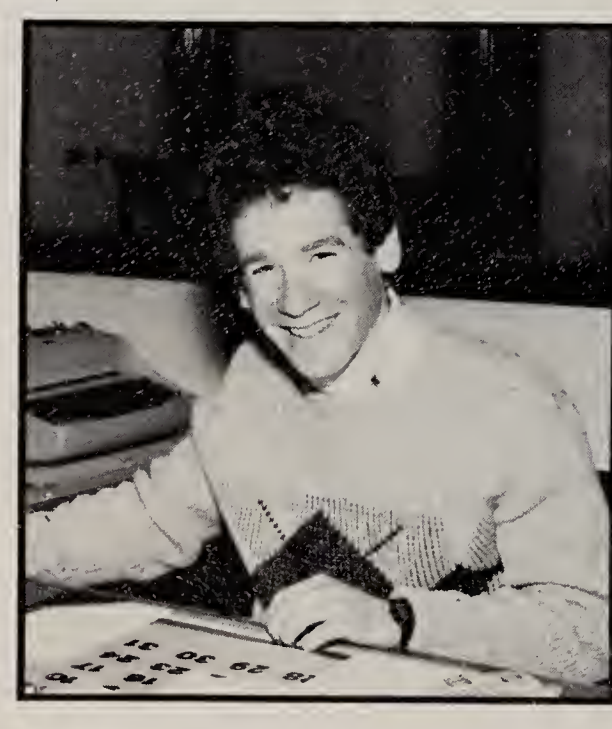
Mr. LaMothe, Vivian De Mello, Adam Steinberg, Julie Salmon, Nancy Howard, Chris Rosebrock, Dawn Rodrigues, Judy Boyce, David Arden, Chris Miozza, Nancy Lebel, Sue Paquette, Lynne Gagnon, Kenny David, Sheril Silva, Kerri St. Pierre, Steph Mendes, Chris Ready, Nancy Fillion, Rosie O''Toole, Bob Camara, Mark Simmons, Kimberly Chabot, Julie Plunkette, Kim Correllas, Sheila Highsmith, Kim Darosa, Stacy Iwanski, Gina DeGaetano, Lori Towers, Sean Owens, Melissa Gedacht, Mike Sanpietro, Craig Waksler, Mike Czepiel, Paul DeGaetano, Todd Friedman, John Beaulieu

Mr. LaMothe, Advisor



Many people must be thanked for the completion of this yearbook. Without Mr. LaMothe's time and dedication to the *Raider,* this year's book would not be as successful as it is. We would also like to thank Joe Geoffroy our school photographer and Norval Garnett from Jostens. Chris Rosebrock along with the entire Raider staff should also be thanked for a job well done!

On behalf of the whole Raider staff we would like to wish all the members of the Class of '86 the best of luck in their future years. Our four years at Somerset High have flown by. Each of us will walk away with memories that will last a lifetime, though these memories will fade as time goes by. We hope this book will succeed in recreating those memories of Somerset High School.

Adam, Julie, Vivian

Brian Mendes, Senior
Class President

On behalf of the graduating class of 1986, I would like to extend congratulations to the faculty and administration for making it through four years with our "ever-trying to improve" class. I would also like to thank them for their unending efforts dedicated to developing the minds of future America (and teachers, thanks for not going on strike).

I would personally and sincerely like to thank our senior class advisor Ken Day. In his rookie season as class advisor, he combined his spirit and diligence to make this year a memorable one for our senior class. Thanks again Ken . . uh . . I mean Coach Day.

Lastly, I would like to thank you, the class of 1986. I commend you on your choice for class president(??!!) and thank you for your cooperation in any of our class endeavors. Thanks also go out to Steph Mendes (what a great last name). Steph's great personality and dedication was a help to us all. I also thank secretary Dawn Roderiques and treasurer Sue Almeida for all their help. Let us not forget the other members of my staff, elected and appointed, who worked just as hard as anyone. But most of all, I would like to thank you for being (. . . on the whole . . .) good people and great classmates. Good luck!

Brian

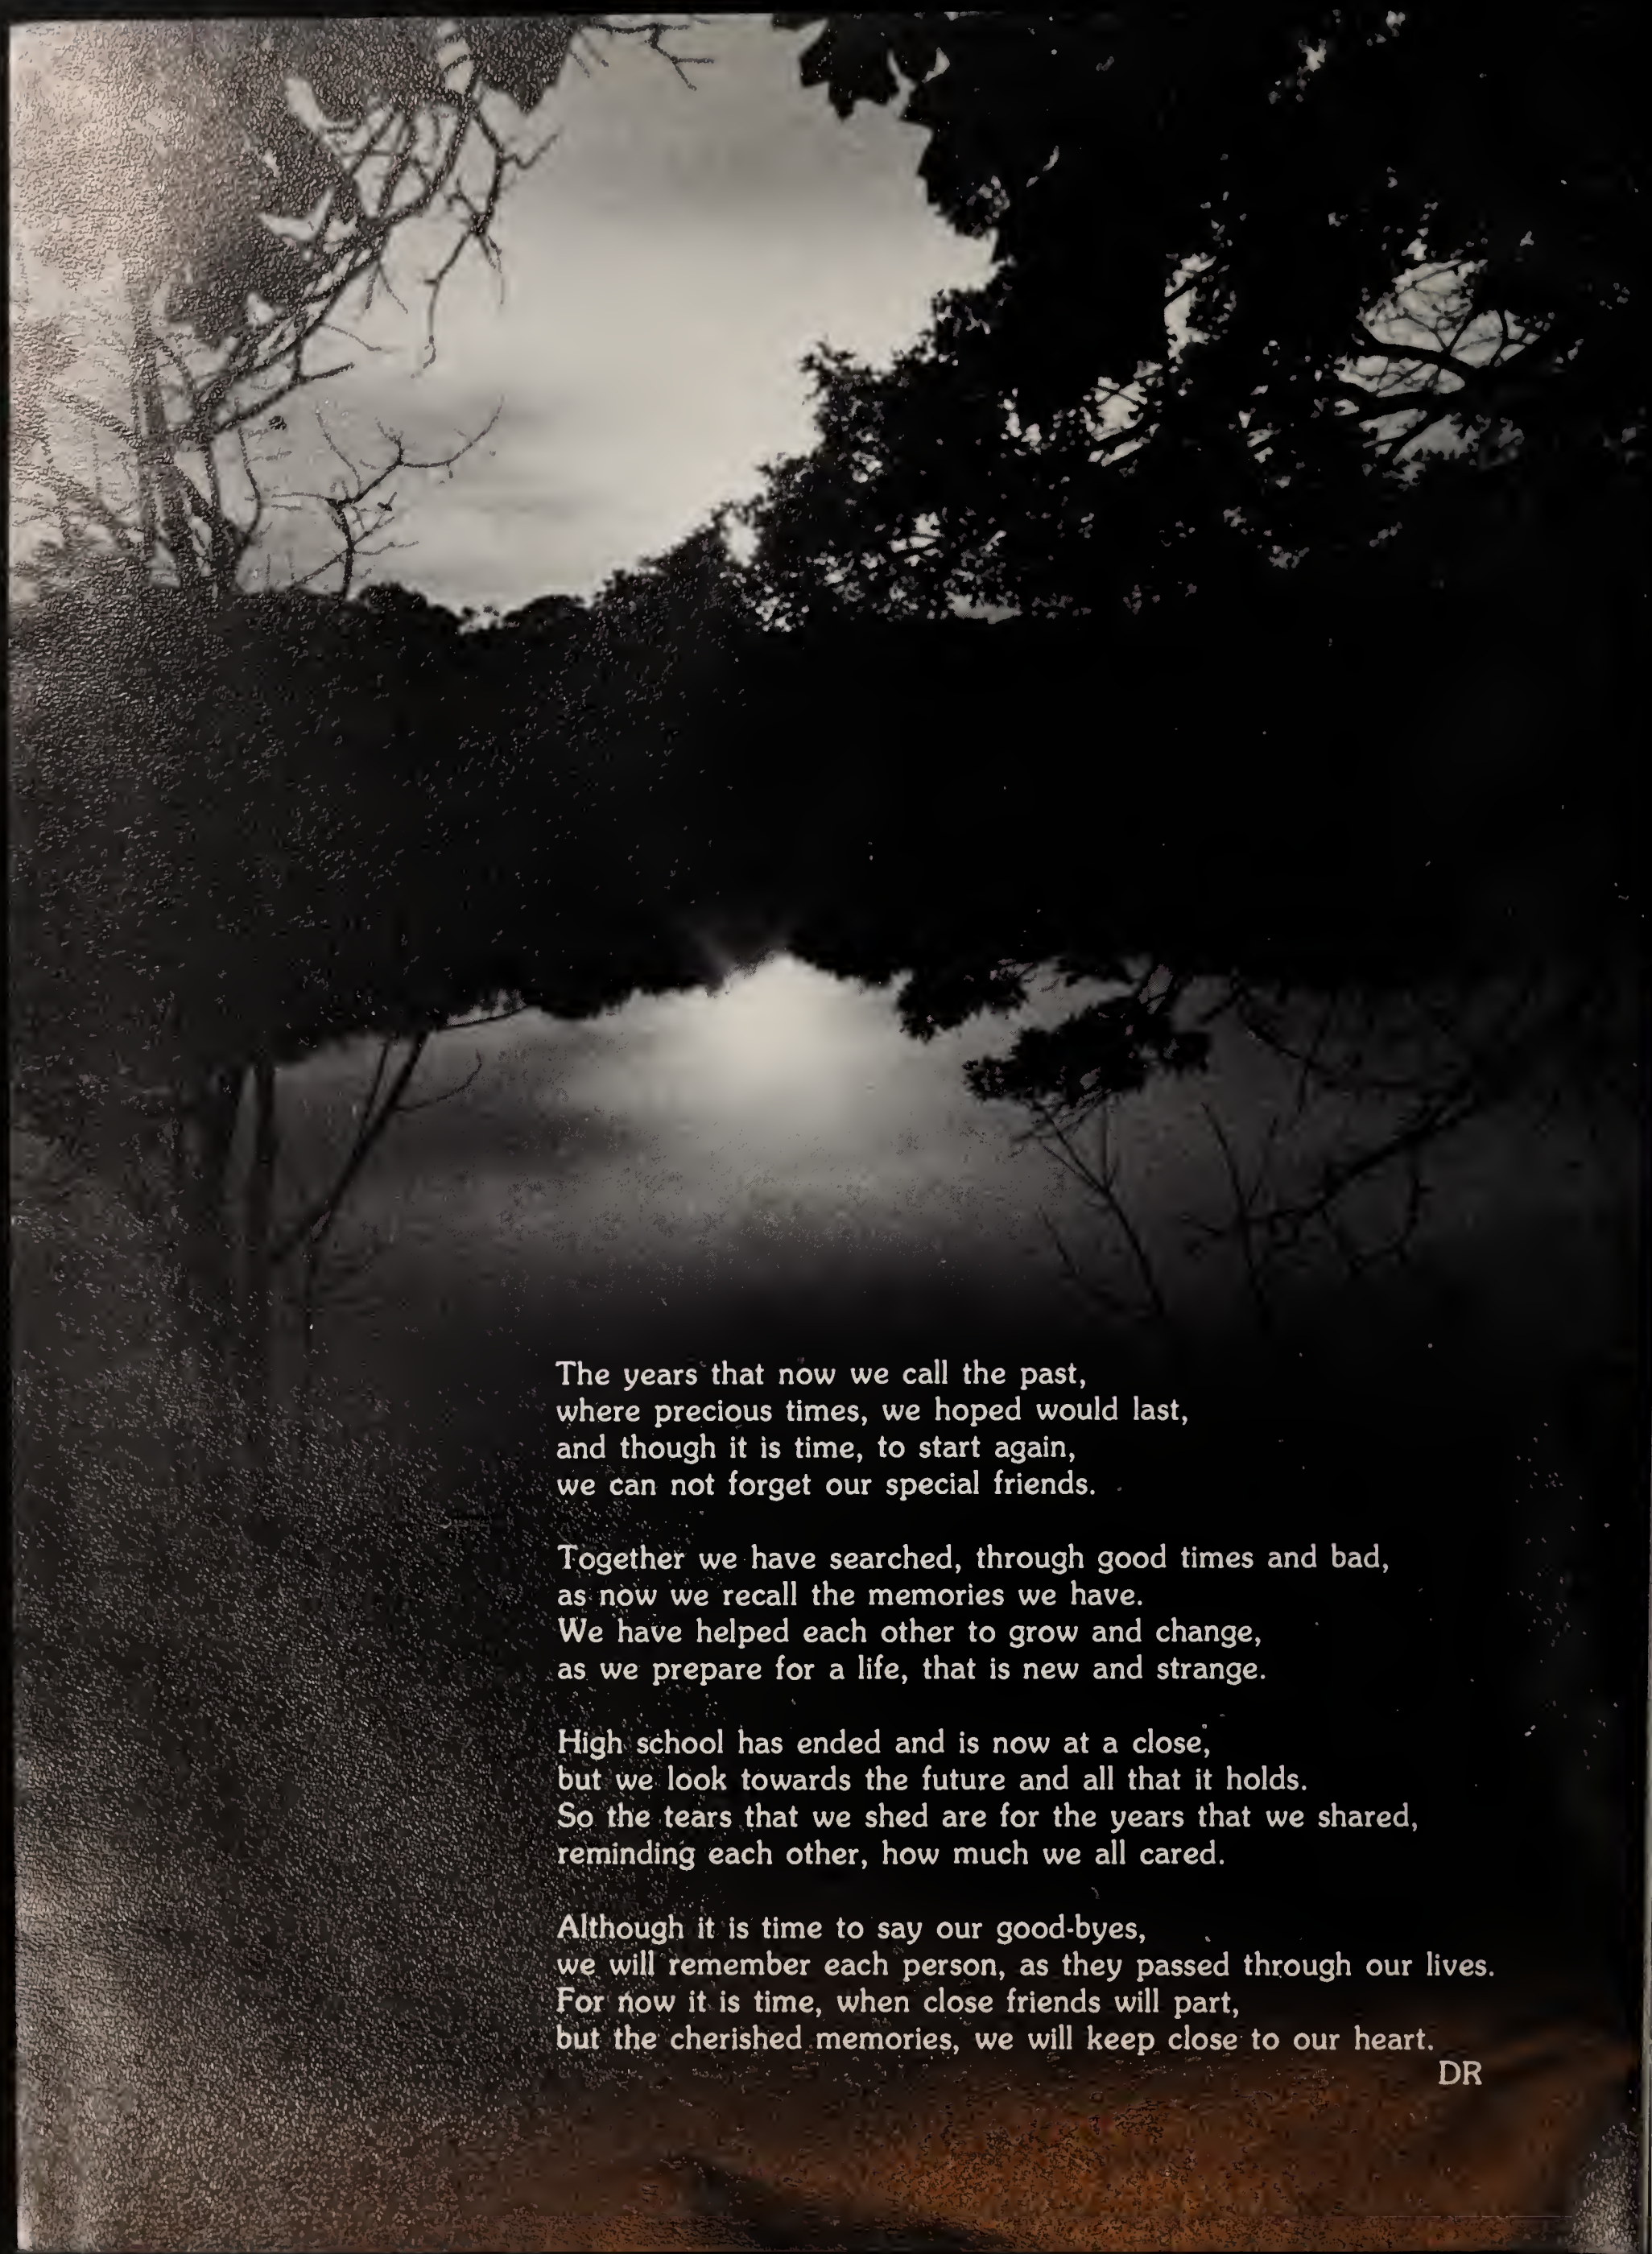
YOUR CLASS PHOTOGRAPHER



The years that now we call the past,
where precious times, we hoped would last,
and though it is time, to start again,
we can not forget our special friends.

Together we have searched, through good times and bad,
as now we recall the memories we have.
We have helped each other to grow and change,
as we prepare for a life, that is new and strange.

High school has ended and is now at a close,
but we look towards the future and all that it holds.
So the tears that we shed are for the years that we shared,
reminding each other, how much we all cared.

Although it is time to say our good-byes,
we will remember each person, as they passed through our lives.
For now it is time, when close friends will part,
but the cherished memories, we will keep close to our heart.
